

Dr Dominique CAHARD

CNRS Research Director

Fluorinated Biomolecules Synthesis Team

Tel : (+33) 2 35 52 24 66

E-mail : dominique.cahard@univ-rouen.fr

PROFESSIONAL EXPERIENCES

- 2007- CNRS Research Director; UMR 6014 COBRA, Normandy University, France.
1996-2007 CNRS Research Associate; UMR 6014 COBRA, Normandy University, France.
1996 Postdoctoral Research Associate; Advisor: Prof. Tadashi Nakata, RIKEN,
Tokyo, Japan.
1994-1995 Postdoctoral Research Associate; Advisor: Prof. Chris McGuigan, University of
Southampton, UK and Welsh School of Pharmacy, Cardiff University, Wales.

EDUCATION

- 2001 Habilitation HDR
1991-1994 Ph.D. Organic Chemistry, University of Rouen, France.
1990-1991 M.S. Organic Chemistry, University of Rouen, France.

RESEARCH INTERESTS

Fluorine – Methodology – Chirality – Asymmetric synthesis – Medicinal chemistry

SCIENTIFIC ACHIEVEMENTS

Academic record (h-index: 42)

117 publications, 2 books, 14 book chapters, 4 patents, 84 invited lectures (academia & industry)
