

Dr Ludovic JEAN

Assistant Professor

Bioorganic team

Tel : +33 2 35 52 24 51

E-mail : ludovic.jean@univ-rouen.fr

PROFESSIONAL EXPERIENCES

- 2008- Assistant Professor; Rouen Normandy University, France.
2006-2007 Postdoctoral Associate; Advisor: Prof. A. Fürstner, Max-Planck-Institute, Mülheim an der Ruhr, Germany.
2005-2006 Postdoctoral Associate; Advisor: Prof. A. Marinetti, ICSN, Gif-sur-Yvette, France.

EDUCATION

- 2004 Ph.D. Organic Chemistry, University of Caen Normandy, France.
2000 Engineering Degree in Organic Chemistry, National Graduate School of Engineering of Caen (ENSICAEN), France.
2000 M.S. Organic Chemistry, University of Caen Normandy, France.

ADMINISTRATIVE & INSTITUTIONAL RESPONSIBILITIES

- 2019-2023 Member of the National Council of Universities (CNU)
2015- Teaching manager of master's degrees in organic chemistry

RESEARCH INTERESTS

Medicinal chemistry, multi-target-directed ligands (MTDL) for treatment of neurodegenerative diseases, cholinesterase inhibitors, cholinesterase reactivators, organic chemistry

SCIENTIFIC ACHIEVEMENTS

Academic record (h-index: 21)

57 publications, 5 patents, 6 invited lectures (academia & industry)

Selected prizes and awards (ou Editorial activities)

Editorial Board member of the Journal "Molecules" section "Medicinal Chemistry"
