PROFESSIONAL EXPERIENCES

- 2005- Assistant Professor; Rouen Normandy University, France.
2005 Postdoctoral Associate; Advisor: Dr. Benarous, Institut Cochin, Paris, France.

EDUCATION

- 2000-2004 Ph.D. Molecular Biophysics, University Pierre & Marie Curie, Paris 6, France.
1999-2000 M.S. Molecular Biophysics, University Pierre & Marie Curie, Paris 6, France.

ADMINISTRATIVE & INSTITUTIONAL RESPONSIBILITIES

- 2010- Member of the Advisor Commission of faculty specialists (CCSE, section 31) – University of Rouen, France.

RESEARCH INTERESTS

My research interests focus on NMR and Molecular Modeling (homology modeling, screening, docking) to investigate ligand/receptor interaction, to elucidate enzymatic mechanisms and to guide rational design of new organic molecules for therapeutic purposes.

SCIENTIFIC ACHIEVEMENTS

Academic record (h-index:)

25 publications

Selected prizes and awards (ou Editorial activities)

Exemples d'autres rubriques possibles (sans restriction de place)

SUPERVISION ACTIVITIES
