

Dr H el ene Beucher

Assistant Professor in Chemistry / INSA Rouen Normandy

Heterocycles team

Tel : +33 (0)2 35 52 24 18

E-mail : helene.beucher@insa-rouen.fr

PROFESSIONAL EXPERIENCES

- 2022- Assistant Professor at INSA Rouen Normandy, UMR 6014 COBRA, France
2021-2022 Postdoctoral fellow with Prof. Thomas Poisson and Prof. Philippe Jubault
Rouen University, France
2014-2015 Gap year at Spirochem AG, ETH Z urich, Switzerland

EDUCATION

- 2016-2021 Ph.D. Organic Chemistry, University of Zurich, Switzerland
2012-2016 Engineer Diploma "Chemistry and Processes", INSA Rouen
2010-2012 Technical degree, IUT of Rouen

RESEARCH INTERESTS

Development of New Methods for Organic Synthesis • Asymmetric Catalysis •
Organocatalysis • Organic electrochemistry

SCIENTIFIC ACHIEVEMENTS

Academic record (h-index: 5)

6 publications

Selected prizes and awards

WINNING Normandy Fellowship 2022

Best Oral Communication Prizes (SCS 2019 1st prize & CMSZH 2020 3rd prize)

Encore Award of Janssen Pharmaceuticals - Silver 2016

SUPERVISION ACTIVITIES

Supervision of 1 PhD students, 5 undergraduate students

TEACHING ACTIVITIES

INSA Rouen Normandie (d epartement Chimie Fine et Ing enierie) : Organic Chemistry,
Analytical Chemistry (Practical Sessions), Formulation (Practical Sessions)
