

Dr Dominique CAHARD

CNRS Research Director (DR1 CNRS)

Fluorine Chemistry team

Tel : (+33) 2 35 52 24 66

E-mail : dominique.cahard@univ-rouen.fr

PROFESSIONNAL EXPERIENCES

2024	Invited Professor (1 month), Nagoya Institute of Technology
2022	JSPS fellowship award (3 months), Nagoya Institute of Technology
2007-...	CNRS Research Director; UMR 6014 COBRA, Normandy University
2006	Invited Professor (1 month), Tokyo University of Agriculture and Technology
1996-2007	CNRS Research Associate; UMR 6014 COBRA, Normandy University
1996	Postdoctoral Research Associate; Advisor: Prof. Tadashi Nakata, RIKEN, Tokyo
1994-1995	Postdoctoral Research Associate; Advisor: Prof. Chris McGuigan, University of Southampton, UK and Welsh School of Pharmacy, Cardiff University, Wales.

EDUCATION

2001	Habilitation HDR
1991-1994	Ph.D. Organic Chemistry, University of Rouen, France
1990-1991	M.S. Organic Chemistry, University of Rouen, France

RESEARCH INTERESTS

Fluorine – Methodology – Chirality – Asymmetric synthesis – Medicinal chemistry

SCIENTIFIC ACHIEVEMENTS

Academic record (h-index: 47)

140 publications, 2 books, 15 book chapters, 4 patents, 103 invited lectures (academia & industry)
