

Dr Hélène Beucher

Associate Professor in Chemistry / INSA Rouen Normandie

Heterocycles team

Tel : +33 (0)2 35 52 24 18

E-mail : helene.beucher@insa-rouen.fr

PROFESSIONAL EXPERIENCES

- 2022- Associate Professor at INSA Rouen Normandie, UMR 6064 CARMeN, France
2021-2022 Postdoctoral fellow with Prof. Thomas Poisson and Prof. Philippe Jubault Rouen, France
2014-2015 Gap year at Spirochem AG, ETH Zürich, Switzerland

EDUCATION

- 2016-2021 Ph.D. Organic Chemistry, University of Zurich, Switzerland
2012-2016 Engineer Diploma "Chemistry and Processes", INSA Rouen Normandie
2010-2012 Technical degree, IUT of Rouen

RESEARCH INTERESTS

Radical-driven methodology developments • Electrosynthesis • Photocatalysis • Gold chemistry • Asymmetric catalysis

SCIENTIFIC ACHIEVEMENTS

Academic record (h-index: 8)

13 publications

Selected prizes and awards

ANR JCJC 2024

WINNING Normandy Fellowship 2022

Best Oral Communication Prizes (SCS 2019 1st prize & CMSZH 2020 3rd prize)

Encore Award of Janssen Pharmaceuticals - Silver 2016

SUPERVISION ACTIVITIES

Supervision of 5 postdoctoral fellows, 2 PhD students, 4 undergraduate students

TEACHING ACTIVITIES

INSA Rouen Normandie (department Fine Chemistry and Engineering) : Organic Chemistry, Green Chemistry, Analytical Chemistry, Chemical Engineering, Safety and Health at work, Energy and Climate Change
